11. PRACTICE

According to the time schedule.

It is strictly forbidden to ride on the track with a competing machine outside the time of the official practice. Violation of this rule may be sanctioned by disqualification.

SLOVAK MOTORCYCLING FEDERATION ROAD RACING SPORTING COMMISSION

Each rider must complete minimum of 3 laps to be qualified for the race. To qualify for the race, a rider must achieve a time at least equal to **120%** of the time recorded by the fastest rider of his class. Qualifying limit does not apply for classes Klasik.

12. RACE

The event will be held in accordance with the FIM, FIME and National Sporting Code for Road Racing and these Supplementary Regulations, which were thoroughly checked and approved by the permissive organ.

The Slovak riders can only start with a valid SMF licence. Foreign riders can start with a valid licence of their FMN together with a starting permission and appropriate insurance cover.

Starting grid will be in lines of 3 riders, the distance between lines will be at least 9 m.

1 – 2 – 3
– 4 – 5 – 6
7 – 8 – 9
etc.

13. SPEED BUMP

A speed bump has been created on the landing area of the airport. A competitor who goes outside the speed bump and shortens the course will be penalized by 10 seconds added to the final race time. In the case of qualifying, the lap time of the lap in which the offence was committed will be cancelled. This applies even if the competitor does not gain an advantage by shortening the retarder.

14. PADDOCK

Riders and teams can enter the paddock from 6 PM on the 23.06.2022 (Thursday) and they are obliged to the leave the paddock by 9 PM on the 26.06.2022 at the latest.

Parking area for competing machines will be in the airport area. Entrance and entry into parking area for competing machines will be allowed only to persons and vehicles authorized to enter. **To carry out any business activity in the entire area of the airport is possible only upon an agreement with the organizer.**

All event participants are obliged to respect traffic signs throughout the area. Speed is limited to 30 km / h throughout the area. All event participants are obliged to keep the area clean and to protect the environment from contamination. Used oil is only allowed to be poured into the designated containers. Competitors and their team are obliged to obey all instructions of the organizers. It is forbidden for persons under 18 years of age to move in the parking area for competing machines by any means of transport – subject to a fine of 200€. The competitor, whose team member or guest is fined, is obliged to pay the imposed fines. All event participants must comply with the provisions of the organizer's Rules of Operation.

15. ENVIRONMENTAL REGULATIONS

Washing of the motorcycle is permitted only in the designed area – without any chemical substances. Pouring or throwing away used oil or any other petrol waste outside the marked boxes is forbidden. The rider and his team must use the environmental mat (160 x 100 cm) while parking, repair works, refuelling and under the waste boxes. The environmental mat must be made of an absorbent part (upper part) and an impermeable part (bottom part). Canisters with oil and petrol and their throats must be set out of the sunlight on the environmental mat. All participants must secure their motorcycles and other valuables against damage and theft. In the whole event area, it is forbidden to damage flora and fauna. These directions are mandatory and are in conformity with the NR SR law number 543/2002 ZZ. Any infractions of these rules may be financially penalised by 333 €.

16. ALCOHOL TESTING

For riders participating in any SMF event, a breath alcohol test may be carried out at any time during the event in accordance with the following rules: during the event - for the purpose of this rule - 12 hours before

SLOVAK MOTORCYCLING FEDERATION ROAD RACING SPORTING COMMISSION

the rider rides his motorcycle for the first time during the event till 15 minutes after the last race in his category. To avoid doubt, the use and consumption of alcohol during prize giving ceremony is not considered a violation of the FIM Medical Code, provided that the prize giving ceremony is at the end of the event.

17. MOTORCYCLE AND EQUIPMENT

Motorcycle and the equipment must be in accordance with the Road Racing Technical rules. A violation of these rules will result in a disqualification of a rider.

Starting numbers:

All competing motorcycles must have starting numbers on the front and on both sides. These must comply with the technical regulations in size, form and colour. The assigned number for a rider must be on the motorcycle as follows: on the front in the centre of the fairing; on the right and left sides of the rear fairing. This number must be the same size as the front number. The number must be visible to viewers and officials on both sides of the track. The numbers must be simple and easy to read, the height of the digits must be at least 140 mm and the width of the stroke must be at least 25 mm. The background must be single-coloured and of sufficient size. In case of a dispute over the legibility of the numbers, the decision of the Technical steward is final. **Each rider can start during the event with the same motorcycle in only one class.**

18. INSURANCE

At the technical verification of the event each rider confirms with his signature that he has an insurance cover for the case of accident, death, permanent disability, foreign riders also medical treatment, transfer to a hospital and repatriation insurance cover.

19. FUEL

Riders will obtain the fuel by themselves.
