4.6 Acceptance of Entry form

An entry application will be accepted only if both entry forms will be filled and accompanied by the total entry fees or by a receipt issued by the competitor's ASN. The organizer has the right to refuse entry of a driver except FIA and ERC registered drivers.

4.7 Refunds

Entry fees will be fully refunded:

- to candidates whose entry has not been accepted
- in the case of the rally not taking place.

The organisers may partially refund the entry fee to those entrants who, for reasons of „force majeure” (duly certified by their ASN), were unable to start in the rally and excused themselves before the start of the administrative checks. The crews who do not excuse themselves will be announced to ASN and the entry fee will not be reimbursed.

5. INSURANCE

5.1 Insurance Coverage for the Organizer

5.1.1 The Autoklub of the Czech Republic (ACCR) has made the insurance contract with Allianz pojišťovna, a. s. through the PLATINUM Consulting, s. r. o. company, a framework agreement no. C550012623, organizer's liability insurance covering damage caused to the third party during the competition up to 450 000 EUR per incident.

5.1.2 The part of the insurance agreement is the coverage for cars against the damage caused to third party up to 450 000 EUR per participant. However, the damage caused by drivers among themselves is not covered by this contract.

The organizer binds self to arrange this insurance contract for all competitors except those, who will show the long-term liability insurance covering damages caused on closed route.

5.1.3 The insurance for organizers and participants is made with an integral excess of 5 000 CZK. It means that damage up to 5 000 CZK won't be refunded and damage over 5 000 CZK will be covered without the complicity of insured.

5.1.4 All crews at administrative check have to hand in the valid International Green Card for their car. Without this card the crew won't be permitted to start.

5.2 Insurance Coverage for the competitors and crews

All the drivers and co-drivers are obliged to arrange their own accident insurance. The proof should be documented on request at administrative check. The insurance of foreign crews have to cover the costs of

possible medical treatment in the Czech Republic. Insurance cover must start from Free Practice / Shakedown until Parc fermé after the finish of the rally.

5.3 Damage Reporting

The crews are obliged to notify the organizer about the damage caused on the track by their car by the end of event the latest. Violation of this duty stands for summoning the competitor and involved crew to a disciplinary committee.

5.4 Insurance Coverage Exclusions

Auxiliary vehicles, cars dedicated to reconnaissance rides and vehicles with special labels issued by the organiser are not covered by the provided rally insurance (with the exception of insured organiser's cars) and those are always going on their own responsibility.

6. ADVERTISING AND IDENTIFICATION

6.1 Compulsory advertising

- A - starting numbers: Barum
- B - rally plates: Barum
- C - rear window panel: Barum

6.2 Optional advertising proposed by organiser

The organiser reserves following places which must remain free:

- D - panel 67 x 20 cm under the side door starting number: Zlín, ACR, Czech Republic
- E - panel 67 x 20 cm under the side door starting number: Zlín, ACR, Czech Republic
- ERC - ERC advertising stickers (front windscreen, rear windscreen, mirror stickers)

Placement of advertisings proposed by organiser is given in Appendix 4 of these supplementary regulations.

6.3 Loss or removal of advertising

If there is ascertained at any point during the rally that an advertising sticker (or any other type of advertisement) supplied by the organiser is missing from a car then the crew shall be penalised with a fine of 400 € by the CoC for each missing advertisement or if the advertisement is modified or not placed according to the Appendix 4 SR.

6.4 Competition numbers and rally plates

Competition numbers and rally plates according to the Article 28 of FIA RRSR supplied by the organiser must appear on both front doors of the car during the whole rally. If it is ascertained at any time during the rally that:

- a competition number or one rally plate is missing, this will be penalised by 100 € by the CoC.
- both competition numbers on front doors or both rally plates are missing; this will be reported to the Stewards.

7. TYRES

At all times during the event in the Czech Republic, the tread depth of the tyres fitted on the car, must not be less than 1.6 mm. All tyres used during the rally must be in conformity with RRSR Art. 13 and with Appendix V.

Tyre quantity for competitors:

- For all drivers entered with **Rally2** car, a maximum of **16 tyres** may be used during Qualifying stage and the rally (without free practice and shakedown)

8.3 Refuelling procedure

In order to access the RZ, all personnel involved in refueling operations must wear clothing that provides adequate protection against fire and includes at least: long trousers, long-sleeved top, closed shoes, gloves and a balaclava. It is required that the crew remain outside the car during refuelling.

9. RECONNAISSANCE

9.1 Reconnaissance registration

Before the beginning of reconnaissance each crew announces a factory make and a registration plate number of its reconnaissance car. The crew receives identification for its car (starting numbers) and monitoring GPS unit. GPS unit must be in a Recce car during whole time while making Reconnaissance, also in liaisons. Starting number must be affixed in right upper part of the windscreen and in both rear side windows during reconnaissance at all the times. Any change of the car must be announced to the organiser in time. **GPS unit must be returned to the organiser in TC before the Ceremonial Start in Zlín city square.** Time of each Crew for the reconnaissance of SSS 1 will be published on noticeboard and will be over given when collecting the road books for Recce. Crew can enter the area before SSS Zlín earliest 20 minutes before their scheduled time. Earlier arrival to the start of SSS 1 recce will be penalised by CoC by 200 Eur.

9.2 Reconnaissance schedule is available in Appendix 2 SR.

9.3 Reconnaissance rules

The crews are obliged to follow general traffic regulations that will be controlled.

9.3.1 Reconnaissance will be organised in compliance with art. 35 of the FIA RRSR and only series production cars conforming to art. 35.1 of FIA RRSR must be performed.

9.3.2 Any presence of driver or co-driver on the route of special stages during the period of three months prior to the start of the rally shall be regarded as performed reconnaissance. Drivers, who for whatever reason enter the area used for the Barum Czech Rally Zlín during that period, must promptly inform the Clerk of the Course (M. Regner, tel.: +420 577 432 004), excluding drivers living in that area, or working there. These restrictions apply to all who wish to attend the rally regardless of whether they already sent the entry form or received the supplementary regulations.

9.3.3 Reconnaissance is restricted in **2 passes** in the same special stage. On the SSS 1 - SSS Zlín only 1 passage (3 laps) is allowed. Crews are forbidden to drive in the opposite direction to that of the special stages, except of route areas specified in the reconnaissance road book.

Control will be done by GPS tracking and rally officials, who will observe and control Reconnaissance on place.

9.3.4 The progress of the reconnaissance will be monitored via GPS system, by the Czech police and other rally officials. The maximum speed limitations during reconnaissance follow the Czech traffic regulations. Breaking the rules and mainly exceeding the speed limits will be controlled and fined by the Czech police according to standard procedures. Evaluation the GPS data is within the competence of Clerk of the Course. If there will be found that the reconnaissance vehicle is not equipped with working tracking system, the crew will be reported to the stewards.

9.3.5 Driving conduct

Entrants must follow Art. 34 of FIA RRSR

Illegal reconnaissance performed out of the time schedule or performing more passages than permitted will be reported to the stewards.

Speeding during reconnaissance and during the rally will incur a fine applied by the clerk of the course as follows:

Per km per hour over the speed limit: **€ 25**

- Other traffic infringements during reconnaissance will incur a fine applied by the Stewards.
- The amount of the fines will be unaltered by any fine imposed by the police.
- The fine will be doubled in case of a second offence committed during reconnaissance in the same rally.

Penalties for infringements during the competition element of the rally:

- a) First infringement:
 - Speeding: A fine of €25 per km over the speed limit, applied by the clerk of the course,
 - Other than speeding: A penalty will be applied by the Stewards.
- b) Second infringement:
 - Speeding: A fine of €50 per km over the speed limit, applied by the clerk of the course,
 - Other than speeding: A penalty will be applied by the Stewards.
- c) Third infringement: A 5-minute time penalty applied by the clerk of the course.
- d) Fourth infringement: Disqualification applied only by the Stewards.

9.3.6 Any testing from Thursday 25 August 2022 in Zlín region (Zlínský kraj) is prohibited for Barum Czech Rally Zlín entrants.

11. SCRUTINEERING, MARKING AND SEALING

11.1 Scrutineering

Place: Service area Barum Otrokovice (Building at the place of Service Park Exit)

Date: 25 August 2022 Time: 14:00 - 21:00

The time for scrutineering will be published as CoC Bulletin on official website of the rally. Any delay or early arrival at scrutineering will be penalised by 40 € for each 5 minutes. If the delay exceeds 30 min the crew will be reported to the Stewards.

The team must bring also filled technical card confirmed from administrative check.

11.2 Marking and sealing (together with scrutineering)

Place: Service area Barum Otrokovice

Date: 25 August 2022 Time: 14:00 - 21:00

The actual list of cars to be marked and sealed will be sent with the entry confirmation. Marking and sealing out of given time is penalised by 40 €.

According to the FIA 2022 ERC Sporting Regulations:

- All FIA and ERC priority drivers must seal their transmissions and spares.
- All cars must have engine block marked.
- All cars equipped with turbocharger and their spares must be marked.

After pre-rally scrutineering, any change of sealed component must be notified by the competitor to the following e-mail: erc-technical@fia.com. This notification must be received prior to the change of part.

For each Rally2 car the Competitor must submit before the scrutineering the joker list nomination fulfilled and signed to the following e-mail: erc-technical@fia.com. Joker forms will be available in Competitors online section at official website of the rally.

11.3 Safety equipment of crews

Every competitor is obliged to put forward full clothes, which will be used including helmets and FHR system, and filled safety equipment documents. Agreement will be checked with chap. III Appendix L ISC and with technical regulations.

Drivers and co-drivers who wear full-face helmets must be able to pass the following test in order to ensure that appropriate access to the airway of an injured driver is possible:

- the driver is to be seated in his car, with helmet and FIA-approved head restraint in place and attached and safety harness buckled.
- with the help of two rescuers, the chief medical officer of the competition (or, if present, the FIA medical delegate), must be able to remove the helmet with the driver's head maintained permanently in a neutral position.

If this is impossible, the driver will be required to wear an open-face helmet.

11.4 Drivers safety equipment

See Appendix 5 of these Supplementary Regulations

11.5 National Regulations

All vehicles must comply with art. 4.3.2 of these Supplementary Regulations

11.5.1 Outside noise level of cars

All cars must be equipped with the stable exhaust silencer. The outside noise level measured by stationary method may not exceed 96 dB/A for all cars with the margin of error plus 2 dB/A. The noise level will be measured at 3500 revs/min. in petrol engine cars and at 2500 revs/min. in diesel engine cars according to EHK Regulations 51.02.

Noise level will be measured during scrutineering and eventually at any point during the rally. Any exceeding of noise limit during scrutineering results in start refusal, any exceeding of noise limit in the course of the rally will be reported to the Stewards who may apply sanctions according to the art. 12 of the FIA International Sporting Code.

11.5.2 Catalytic converters

All vehicles must be obligatory equipped by homologated catalytic converter.

For missing, incomplete, or ineffective catalytic converters identified during scrutineering, the crew shall be refused a start. A car with a missing or incomplete catalytic converter during rally shall be reported to the Stewards, who may impose penalty in accordance with art. 12 of the FIA International Sporting Code.

11.5.3 Car lighting

In liaison road sections between special stages, it is possible to use car lighting only through the original fitted and auxiliary headlamps with EHK ("E") homologation. Headlamps without homologation cannot be used during connection road sections. Complying with this provision will be checked by judges of fact. Any infringement will be reported to the Stewards who may impose sanctions complying art. 12 of the FIA International Sporting Code.

11.6 Obligatory monitoring device (GPS)

11.6.1 The GPS tracking system will be rented to the competitors. Eventual destruction, non-return or damage of the unit has to be paid for by the competitor to the provider. All further details are given in Appendix 6 SR and will be published on www.czechrally.com

11.6.2 Each car in the rally must be equipped with the GPS monitoring unit before the scrutineering.

11.6.3 The competitors will receive the GPS parts from administrator of GPS devices together when road books are collected and they must install them in their cars in compliance with the given installation manual before scrutineering.

11.6.4 Competition cars not equipped with the monitoring device GPS will not be allowed to start.

11.6.5 Any attempt to tamper with, to manipulate or to interfere with the tracking device fitted to the competition car or any device that fails to record a trace due to external interference will be reported to the Stewards who may impose a penalty up to exclusion.

The GPS Monitoring system ONI will be used for reconnaissance for all drivers

ERC, CRC

Time cards collecting during the rally will be in time controls 1A, 4A, 7A, 7D, 9A, 10A, 12A, 13B and 13C

12.1.2 Ceremonial start

The competing cars are summoned to enter holding area before ceremonial start not earlier than **20 minutes** before individual starting time. Crews must wear overalls and attend the ceremonial start with their competition cars. If any crew is unable to participate in the ceremonial start because of technical problems with their car, they will be permitted to start into the Leg 1 at TC 0 in its allocated start time on condition of notification to the Clerk of the Course and passing the obligatory re-scrutineering checks. The concerned crew must attend the ceremonial start wearing overalls at their due time anyway.

12.1.3 Start of the rally

The crews will start in reversed starting order in 1 minute interval (from the highest to the lowest starting numbers) according to the starting list posted on the official notice board (First will start Czech Rally Championship, followed by ERC). Parc fermé before the start at TC 0 will not be organised. The crews will arrive to TC 0 according to the detailed map in the road book.

Tyre marking zone will be located after TC 0.

12.1.4 Restart after retirement

Any crew which has failed to complete Leg 1 may be assumed to re-start the rally from the start of the next Leg, unless they confirm otherwise in writing to the clerk of the course. For new start the condition according to the art. 54 FIA RRSR must be followed. The competitor must advise the organiser in writing of the reason for retirement (e.g. accident, technical problems, etc.) and the intention to have the car re-scrutineered at the latest one hour prior to the publication to the start list of Leg 2. The car must report to the overnight Parc Fermé prior to the next Leg no later than 1 hour before the scheduled start of Leg 2. New time for scrutineering will be 1 hour before the start of the 1st driver into Leg 2.

Penalties for retired Crews in Leg 1

For all crews which retire a time penalty will be applied according to the art. 54 FIA RRSR. This time penalty will be 10 minutes for every stage missed in Leg 1. This time penalty will be added to the fastest time of the driver's group for each missed stage, which shall include the special stage on which the crew has retired.

Should retirement occur after the last special stage before an overnight regroup, the crew will nonetheless be deemed to have missed that last special stage.

For super special stage SSS 1 Zlín see the article 12.4.2 of SR.

12.1.5 Start of special stages

The start to all special stages except SSS 1 and SS 2/5 will be given by an electronic digital countdown system, counting down by seconds and clearly visible to the crew from the start position and electronically coupled to a start line detection device that records any situation where a car leaves the start line ahead of the correct signal. This start line detection device is 50 cm after the start line in the height of 50 (+/- 5) cm. The car must be placed in such a way that its foremost part is on the level of the start line.

Timekeeper gives the time card to the crew as late as in the minute of starting procedure. .

Light signals combined with digital countdown system will be used:

Countdown:

5 seconds to GO: 1 red line above the time

4 seconds to GO: 2 red lines above the time

3 seconds to GO: 3 red lines above the time

2 seconds to GO: 4 red lines above the time

1 seconds to GO: 5 red lines above the time

0 seconds - START: all red lines above the time are replaced by one big green line

after "start": 20 seconds after start is displayed one big green line above the time

In case of electronic digital countdown system breakdown, the car will be started on the instruction given by the timekeeper

12.2 Finish procedure

The competition part of the rally ends in the Time Control at the entrance to the Parc Fermé (TC 13C). First three crews of the rally will be awarded on the podium, other prizes according to the art. 66.2 will be over-given on the finish ramp. After the ceremonial, crews will get the time card and they are obliged to go straight to the Parc Fermé (Zlín, next to Rally HQ)

12.3 Permitted early check-in

Early arrival without penalty is permitted only at TC PF (PF Otrokovice), TC 1A (Parc Fermé Zlín), TC 7D (Parc Fermé Zlín), TC 13B (City square) and 13C (Parc Fermé)

12.4 Special stages

12.4.1 Shakedown / Free Practice / Qualifying stage (26 August 2022 07:30 – 13:00)

Only competitors, who passed administrative check and scrutineering, can participate in Shakedown, Free practice and Qualifying stage. Competition numbers and advertising stickers must be affixed to their cars. It is compulsory to wear the safety equipment of driver and co-driver as for normal SS.

For the shakedown and Free Practice only, If there is a person, by exception, not rally participant, this person must have an approval from the Clerk of the Course and this person must together with the competitor declare and sign a disclaimer of responsibility – the form will be available at the administrative check and the shakedown start.

The crew whose car breaks down during the shakedown / Free Practice / QS shall nevertheless attend the ceremonial start in comply with article 12.1.2. SR

Tyre marking zone will be located before the TC QS.

Only tyres on rally car for Qualifying stage will be marked (spare wheel will not be marked).

Tyres for Free practice are not count for the overall quantity.

Priority ERC drivers are not allowed to participate in shakedown after QS.

12.4.2 Circuit special stages: SSS 1 - SSS Zlín (26 August 2022 at 20:45)

The crews will start in reversed starting order in 1 minute interval (from the highest to the lowest starting numbers) according to the starting list posted on the official notice board (First will start Czech Rally Championship, after ERC).

The crews will arrive to the SSS starting area according to the detailed map in the road book. SSS 1 will be organized with details given in rally time schedule, in the road book and in the time card. Time results will be counted to the overall classification including eventually penalty that will be given according to regulations for special stages.

Start of the SSS 1 will be flying, it means the crew starts to the special stage on green signal light (or other wave given by the start marshal) and the exact flying starting time will be recorded by the start detection device placed 1 m after the start line. Finish photocell is placed in circuit part of SSS 1 Zlín. Exact placement described in road book.

If the start will be done in expected starting interval (approx. 1 minute), timekeeper will show a board with number 5 approx. 5 seconds before green light appears on a semaphore. In case of longer delay than expected, timekeeper will show the board with a sign STOP and then show again the board with number 5 approx. 5 seconds before green light appears on the semaphore. Start at the red light is prohibited!

Crews that will not finish SSS or retire during Section 1, crews which will do less than required number of laps or whose SSS time is worse than 12 minutes will receive an allocated SSS time of 12 minutes. The retired crews can restart into the Section 2 under the condition of Art. 12.1.4 of SR and that the car is placed to the Parc Fermé 1 hour before and re-scrutineered 1 hour before the scheduled Start of Leg 1, Section 2.

12.4.3 SS 2/5 - Březová (27 August 2022)

Start of the stage will be flying, it means the crew starts to the special stage on green signal light (or other wave given by the start marshal) and the exact flying starting time will be recorded by the start detection device placed after the start line.

If the start will be done in expected starting interval (approx. 1 minute), timekeeper will show a board with number 5 approx. 5 seconds before green light appears on a semaphore. In case of longer delay than expected, timekeeper will show the board with a sign STOP and then show again the board with number 5 approx. 5 seconds before green light appears on the semaphore. Start at the red light is prohibited!

Crews, which do less number of laps, will be excluded and can re-start the following leg. Crews, which will do higher number of laps, will get the real counted time. Laps will be counted by the judges of fact. Crews that will not finish the SS will be considered as retired and can restart into Leg 2 according to SR, article 12.1.4.

12.4.4 Barriers

Due to safety reasons, barriers will be positioned on the rally route. The judges of fact will be published on the Official notice board in compliance with the art. 11.16 of ISC.

Barriers (chicanes) will be formed with straw bales or barrels. Any crew which bypasses (skips) a chicane will be penalised by 30 seconds by Clerk of the Course.

Appendix 5

Extracts from FIA ISC Appendix L relating to overalls, helmets and any other safety requirements

All competitors are reminded of Appendix L of the FIA International Sporting Code, in particular its

Chapter III - Drivers' Equipment.

Helmets (Appendix L, Chapter III, Art. 1)

All crews must wear crash helmets homologated to one of the following FIA standards:

8858-2002 or 8858-2010	(Technical List N°41),
8859-2015	(Technical List N°49),
8860-2010	(Technical List N°33), or
8860-2018 or 8860-2018-ABP	(Technical List N°69)

Frontal Head Restraint (FHR, Appendix L, Chapter III, Art. 3)

All crews must use FIA approved FHR systems homologated to FIA standard 8858.

Approved FHRs, anchorages and tethers are listed in Technical List N° 29.

See also helmet compatibility chart in Appendix L, Chapter III, Art. 3.3.

Flame-resistant clothing (Appendix L, Chapter III, Art. 2)

All drivers and co-drivers must wear overalls as well as gloves (optional for co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2000 standard (Technical List N°27) or 8856-2018 (Technical List N° 74). Please pay special attention to the prescriptions of Art. 2 concerning embroidery and printing on flame-resistant clothing (manufacturer certificates etc.) **as well as concerning the correct wearing of the clothing elements! See also Regional Rally Sporting Regulations, Article 53.1.**

Biometric Devices (Appendix L, Chapter III, Art. 2.1)

Drivers may wear a device to collect biometric data during racing.

If the biometric device is integrated into a protective garment homologated to FIA Standard 8856, the garment shall be homologated to FIA Standards 8856 and 8868-2018.

If the biometric device is a stand-alone device, then the device must be homologated to FIA Standard 8868-2018 only. This device must be worn in addition to the garment homologated to FIA Standard 8856.

Wearing of jewellery (Appendix L, Chapter III, Art. 5)

The wearing of jewellery in the form of body piercing or metal neck chains is prohibited during the competition and may therefore be checked before the start.

Appendix 6

Monitoring GPS system SAS – ERC starting field

All competitors must make provisions in their rally cars for the installation of the FIA Safety Emergency Console System, and the system must be installed before the car is brought to scrutineering.

Systems may be collected either by the crew or a representative, while collecting documents for Reconnaissance on Wednesday. No deposit will be collected for the rally safety tracking equipment, but all the damage caused will be invoiced afterwards.

The FIA Safety Emergency Console System devices must be removed in the final Parc Fermé and returned to the SAS tent in PF no later than 21:00 h on Sunday 28.8.2022 to the representative of STATUS AWARENESS SYSTEM (SAS).

For installation and operating instructions see complete manual on official website of the rally:
